

Welcome! Great to have you here. We have a couple of simple rules:

- Masks must be worn by guests at all times when not seated at assigned tables.
- Reservations are up to 6 people (for total comfort). Due to RI guidelines we can accommodate 8 people if needed.
- Guests experiencing any symptoms of illness may not enter premises.
- Parties must leave at defined reservation end times to allow staff to sanitize tables, and to accommodate additional guests.
- Intermingling between tables is not allowed.
- Guests will enter through Beer Hall, and exit through the breezeway. Guests are encouraged to arrive promptly at their reservation start time.
